

MONIKA THAKORBHAI CHAUHAN

Vadodara, Gujarat, India | +91 7567015718 | monisuhani@gmail.com | linkedin.com/in/monika-chauhan-788a141a6

PROFESSIONAL SUMMARY

Dedicated and goal-oriented M.Tech (Computer Science & Engineering) academician with active experience in teaching, curriculum design, student mentorship, and academic research. Proven expertise in teaching core computer science subjects including Data Structures, Artificial Intelligence, Python Programming, and Mobile Application Development. Published researcher in AI/Machine Learning ethics and predictive modeling. Seeking an **Assistant Professor** position in Computer Science & Engineering.

CORE ACADEMIC COMPETENCIES

- Teaching & Instruction:** Data Structures, Object-Oriented Programming (C++, Java), Artificial Intelligence, Python, Android Development
- Pedagogical Development:** Course Syllabus Planning, Laboratory Manual Design, Question Bank Preparation, Outcome-Based Education (OBE)
- Academic Leadership:** Student Project Supervision, Technical Event Organization, Institutional Social Responsibility Coordination
- Research Domains:** Artificial Intelligence, Machine Learning, Predictive Policing, Fairness in AI

ACADEMIC EXPERIENCE

Assistant Professor | *Parul Polytechnic Institute, Parul University, Vadodara* June 2023 – Present

- Curriculum Delivery:** Instruct theoretical concepts and conduct practical laboratory sessions in Data Structures, Python, Android App Development, C Programming, and AI Fundamentals.
- Course Design & Materials:** Developed comprehensive lecture notes, structured laboratory manuals, and problem-solving question banks.
- Project Guidance & Mentorship:** Supervised mini-projects and practical applications for diploma engineering students. Provided academic and career advising.
- Assessment & Events:** Formulated, conducted, and graded internal examinations. Coordinated departmental technical events and workshops.

RESEARCH & PUBLICATIONS

- Research Paper:** "A Fairness-Optimized Multimodal Hybrid Deep Learning Framework for Crime Risk Prediction Using Semi-Synthetic Urban Policing Data."
- Review Paper:** "From Bias to Balanced: A Comprehensive Review of Fairness Techniques in Predictive Policing System."

EDUCATION

Degree	Specialization	Institute / University	Year	Performance
M.Tech	Computer Science & Engineering	Parul University	2026	CGPA: 7.56
B.Tech	Computer Science & Engineering	Parul University	2023	CGPA: 7.49
Diploma	Information Technology	Parul Polytechnic Institute (GTU)	2020	CGPA: 8.93

TECHNICAL SKILLS

- Languages:** Python, C, C++, Java
- Databases & Web:** MySQL, SQLite, HTML, CSS
- Tools & Domains:** Artificial Intelligence, Machine Learning, Android Studio, Linux, MS Office

ACADEMIC PROJECTS

- **Safety Patrolling Autonomous Robot:** IoT-driven surveillance robot prototype integrated with camera, microphone, and GPS modules connected to IoT Gecko for real-time patrolling.
- **Grievance Redressal & Waste Management System:** Automated portal designed to streamline community grievance logging and municipal waste tracking.

INDUSTRY EXPERIENCE

Supervisor (DET & DAT) | *MG Motor India Private Limited*

2.5 Years Total Service

- Served in Purchase - Supplier Quality Engineering (SQE) Department managing component quality compliance and vendor coordination.

INSTITUTIONAL SERVICE & LANGUAGES

- **Community Roles:** Unnat Bharat Abhiyan (UBA) Coordinator (2018–2019) | NSS Volunteer (2019)
- **Languages:** English, Hindi, Gujarati
